The Institute of Sports Science and Clinical Biomechanics (IOB) uses the swimming pool for teaching. During teaching hours the pool area is closed for other users. When the pool is not used by IOB, other student and employees at SDU can use half of the pool area. Oftentimes the other part is occupied by SDU-external activities such as School swimming etc.

Sports Science and Health students (BSc & MSc) have first priority for training activities related to their study program and can seal of parts of the pool.

Changes to this scheme/table may occur with short notice. Every effort is made to announce changes as early as possible via the SDU homepage and intranet.

**Fridays 12-13 is reserved for SDU-employees only in the announced weeks.**
